

# Stay Ahead of Compliance— Never Miss a Deadline Again

Part of the VelocityEHS Safety Solution

**Navigating the maze of critical regulations and deadlines can be daunting, often resulting in hefty fines, lost revenue, and decreased productivity due to non-compliance.**

With so much at stake, relying on scattered systems and manual tracking means you're constantly playing catch-up, vulnerable to the next compliance crisis.

**VelocityEHS Compliance Management** software transforms this chaos into clarity. Our comprehensive system helps you stay current across facilities, serving as a centralized hub for tracking critical events, regulations, deadlines, and permits, ensuring you're not just reacting to crises but preempting them. Stay ahead, stay compliant, and stay in business with VelocityEHS Compliance Management—where safety and efficiency meet.

### Core Capabilities:

- + Compliance calendar
- + Deadlines
- + Permits
- + Status notifications
- + Regulations
- + Compliance tasks

## Features & Benefits

VelocityEHS Compliance Management empowers you to proactively control regulatory risk across your organization.

- ✓ **Manage compliance in a centralized location.**
  - + Schedule & track action items in a simple, intuitive calendar format
  - + Maintain your library of regulations, policy documents and permits
  - + Copy compliance plans across multiple facilities to save time & improve consistency
- ✓ **Streamline organizational responsibilities.**
  - + Assign compliance tasks and action items to individuals
  - + Send automatic email reminders and escalating notifications
  - + Set both recurring and non-recurring action items to meet compliance obligations
- ✓ **Achieve greater team accountability.**
  - + Track critical permit dates, agency communications, renewals and limits
  - + Pinpoint non-compliance by location or requirement type
  - + Monitor non-conformities and deviations
  - + Generate summary reports to track compliance issues
