

Emergency Response Services Software

# Chemical Emergency Support You Can Depend On 24/7

## Handling hazardous materials and ensuring compliance with global safety regulations can be daunting tasks.

Inadequate emergency response measures can lead to severe consequences, including regulatory penalties and life-threatening incidents. Maintaining up-to-date safety data sheets (SDSs) and ensuring immediate access during emergencies adds further strain.

**VelocityEHS Emergency Response Services** offer a comprehensive solution to these challenges. With services such as our 24-hour multilingual hotline, SDS emergency contact number, shipping compliance, exposure support, SDS rapid access, and more, your business gains the tools to efficiently manage hazardous materials and mitigate risks.

### Core Services:

- + Shipping compliance
- + Emergency spill reporting
- + SDS inventory rapid access
- + Exposure support
- + Global language translation
- + Lithium battery shipper support
- + SDS emergency contact number
- + On-call toxicologists & medical staff
