

Office Ergonomics Software

Foster a Healthy and Productive Office

Part of the VelocityEHS Ergonomics Solution

The benefits of office ergonomics—improved comfort, productivity, employee well-being, and workplace culture—are undeniable.

Relying on traditional, in-person training and expert consultation to manage your entire process can be a huge drain on your time and resources. You need a way to empower your people to take ownership of their own office workspace.

VelocityEHS Office Ergonomics helps you deliver expert-designed, online training and self-assessment tools to every employee across your organization for a fraction of the cost of traditional in-person consultation.

Core Capabilities:

- + Online training & tools
- + AI-driven assessments
- + Simple observational tools
- + Root cause analysis
- + Job improvement process
- + Design guidelines
- + Return on investment summary
- + Dashboards & reporting
- + MSD risk reduction index

Features & Benefits

VelocityEHS Office Ergonomics makes it easy for you to quickly launch, manage, and sustain large-scale ergonomics processes.

- ✓ **Learn with online training & tools.**
 - + Interactive online training in under 30 mins
 - + Includes knowledge checks for learning verification
 - + Teaches your employees how to set up their workstations
 - + Addresses the traditional office as well as home offices
- ✓ **Utilize employee self-assessment data.**
 - + Addresses offices, remote and mobile work, and material handling
 - + Offers instant feedback and recommendations
 - + Complete in 10 minutes or less
 - + Helps your people take immediate action
- ✓ **Efficiently manage hundreds or thousands of workstations.**
 - + Shows you who needs individual assessments or follow-up
 - + Helps with equipment needs and purchasing planning
 - + Stores and shares follow-up assessment results and notes
