

Award-Winning, All-in-One Training Solution

Part of the VelocityEHS Safety Solution

Take out the repetition of training — delivering training that drives productivity, compliance and quality means implementing a program that evolves with your changing needs.

Developing course content and managing your workers' professional development paths can be a huge drain on your time and resources. Yet, training and learning is one critical program no global enterprise can afford to short-change.

VelocityEHS Training & Learning is a comprehensive cloud software solution designed to help you simplify training compliance and maximize your training program performance.

Core Capabilities:

- + Training management
- + Expert-designed training
- + 850+ micro-learning courses
- + Multiple languages
- + SCORM content import
- + eLearning dev tools
- + Learning management system (LMS)
- + Advanced reporting & analytics

Features & Benefits

VelocityEHS Training & Learning gives you an all-in-one system to build, coordinate, and track your training program.

- ✓ **Centralize and expand your training program.**
 - + Easily track and manage learner profiles
 - + Standardize training requirements across locations with detailed controls
 - + Access training content anywhere, anytime from your tablet or smartphone
 - + Send automated in-app user notifications
- ✓ **Build & deliver engaging content.**
 - + Access a growing library of 850+ expert-reviewed micro-learning courses
 - + Use built-in quizzes and in-app notifications to keep learners connected
 - + Build your own custom course library with direct import of 3rd party SCORM content
 - + Instantly convert PowerPoints into fully-interactive eLearning courses
- ✓ **Visualize program performance.**
 - + View and track training status with an interactive dashboard display
 - + Clearly communicate learners' training progress
 - + Generate pre-built and custom reports and export data to 3rd party BI tools

What's your biggest challenge?

The VelocityEHS Team is Ready to Help You Succeed
