

Emergency Response Services

**IN EMERGENCIES,  
SPEED MATTERS.**

PART OF THE VELOCITYEHS ACCELERATE® PLATFORM

**When hazardous materials are involved, delays cost more than time—they put lives at risk. Without fast access to safety information and exposure support, small incidents can quickly escalate.**

For over 35 years, VelocityEHS has been the leader in worldwide hazardous materials emergency response. Our 24/7 Emergency Response Center (formerly ChemTel) is one of only four federally recognized emergency response call centers in the U.S.

Our **Emergency Response Service** connects you instantly to trained specialists anytime, anywhere. Every call is answered live, recorded, and documented for full transparency. With rapid translation in 240+ languages, VelocityEHS delivers fast, reliable global emergency response solutions. With decades of proven expertise, ERS is trusted by companies worldwide to keep their people safe, operations in compliance, and incidents under control.
