VelocityEHS®

Contractor Safety Software

ELEVATE SAFETY BEFORE ANYONE STEPS ONSITE.

PART OF THE VELOCITYEHS ACCELERATE® PLATFORM

Is your current contractor safety management program creating risk by using outdated or manual processes?

Managing the flow of visitors, contractors and vendors coming in and out of your facility is challenging. Assessing COIs, reviewing OSHA logs, confirming credentials, and ensuring only qualified workers are approved to perform high risk work cannot be reliably done with spreadsheets or outdated systems.

VelocityEHS Contractor Safety software, powered by VelocityAI, automatically reviews COI and OSHA logs to ensure compliance before work begins. You gain confidence knowing the right people are approved, authorized, and in the right place to do the right work.

CORE CAPABILITIES:

+ Contractor self-service
+ Qualification management
+ Induction & orientation

+ Customizable functionality
+ Multi-language support
+ AI-driven document review

SEE WHAT VELOCITYEHS CAN DO FOR YOU

360° VISIBILITY OF CONTRACTORS
Gain real-time visibility into contractor compliance.

CENTRALIZED CONTRACTOR SAFETY
Manage contractors, subcontractors, and individuals in one system.

CONTRACTOR SELF-MANAGEMENT PORTAL
Empower contractors to submit documentation and complete required forms online.

FEATURES & BENEFITS

+ Gain real time visibility into contractor compliance and review COI and OSHA logs up to 7x faster
+ Improve contractor safety and reduce third-party risk
+ Be prepared with comprehensive, audit-ready reporting
+ Manage contractor induction and orientation from anywhere
+ Track contracting companies, sub-contractors and individual contractors in your database
+ Get alerts when contractor documents and qualifications need to be renewed
+ Provide a dedicated portal for contractors to submit their own details and documentation
+ Prevent unqualified contractors from entering your worksite
