

Training & Learning Software

TRAINING THAT EVOLVES WITH YOU.

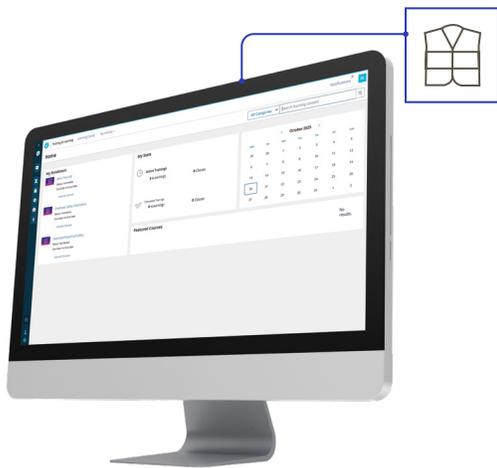

PART OF THE VELOCITYEHS ACCELERATE® PLATFORM

Workforce training is essential, but building, delivering, and tracking it with manual systems wastes time and weakens engagement.

VelocityEHS Training & Learning software streamlines the entire process with centralized learner profiles, automated scheduling, and mobile access. With hundreds of courses, SCORM content support, and instant course conversion tools, your training program becomes both scalable and adaptable.

Real-time dashboards and advanced reporting help you track progress, close gaps, and deliver training that boosts safety, compliance, and productivity—without the admin drain.

CORE CAPABILITIES:

- + Training management
- + Expert-designed training
- + Hundreds of courses
- + Multiple languages
- + SCORM content import
- + Course developer tool
- + Learning management system (LMS)
- + Advanced reporting & analytics

SEE WHAT VELOCITYEHS CAN DO FOR YOU

CENTRALIZED TRAINING MANAGEMENT

A single training hub and dashboard help you track training across locations.

LEVEL UP COMPLIANCE

Assign regulatory-focused training modules to meet compliance requirements (e.g., OSHA).

BE PROACTIVE

View training performance trends to identify areas for improvement.

FEATURES & BENEFITS

VelocityEHS Training & Learning makes workforce training smarter, easier, and more effective across your organization.

- + Easily track and manage learner profiles
- + Standardize training requirements across locations with detailed controls
- + Access training content anywhere, anytime
- + Send automated in-app user notifications
- + Access/use a library of expert-reviewed training courses or build custom course library
- + Instantly convert PowerPoints into fully-interactive eLearning courses
- + Generate pre-built and custom reports and export data to 3rd party BI tools
